EXPERIENCE

Sustenir Agriculture, Singapore, Singapore

Jul 2020 - Aug 2020

Finance Intern

- Provided initial research for an international growth campaign targeting Asia-Pacific, through analysis of 4 different S&P 500 companies' and 2 mid-cap firms' brand strategies
- Prepared reports on key competitors - analyzing fundraising activity, market positioning, R&D capabilities, SOV, unit economics, and firm valuation
- Researched carbon trading and renewable energy certificate trading opportunities to enhance top-line growth through the generation of an additional revenue stream

Provident Capital, Singapore, Singapore

Jun 2019 - Aug 2019

Summer Analyst

- Conducted deal analysis of a US\$53.5 million education technology firm through evaluation of pro forma financial statements - resulting in a US\$5 million investment in the firm
- Performed preliminary due diligence on potential portfolio firms - valuing the companies through comparable company analysis, precedent transaction analysis, and thorough research on the Asian technology industry
- Reported to 21 of Provident's partners on the performance of two US\$140 million growth technology portfolios and the allocation of their committed capital

Equilibrium Capital, San Francisco, CA

May 2018 - Jul 2018

Summer Analyst

- Provided basic due diligence and research on the creation of a sustainable agricultural food fund in China - analyzing existing infrastructure, agricultural supply chain, and Chinese produce markets
- Coordinated industry-leading conference on real asset investments and sustainability for prominent institutional investors

Uber Technologies Inc., Singapore, Singapore

May 2014 - Aug 2014

Community Manager Intern

- Led the 2014 Uber Ice Cream campaign in Singapore - securing a partnership with a local vendor and overseeing logistics
 - Launched 3 of Uber's Singaporean social media platforms - creating marketing campaigns with local vendors
-

LEADERSHIP

Claremont McKenna College Office of Admission, Claremont, CA

Mar 2018 - Present

Senior Interviewer, Tour Guide, Social Media Manager

- One of 23 seniors chosen to interview prospective students and participate in the student selection process
- One of 30 students chosen to share with prospective students about life at the college on 5-25 person tours
- Create social media campaigns to engage current students and prospective students, growing the follower base by 56%

Temasek Trust, Singapore, Singapore

Jun 2020 - Aug 2020

Grants Case Officer

- Analyzed financials and project proposals of ground-up initiatives responding to community needs - arising from COVID-19
- Disbursed US\$117 thousand to two initiatives addressing food security in marginalized Singaporean communities

Singapore Armed Forces (SAF), Singapore, Singapore

Oct 2015 - Aug 2017

Full Lieutenant - 16C41 Battalion

- Led platoon of 17 men in reconnaissance, surveillance, and target acquisition activities behind enemy lines
 - Earned "Platoon Best" award, finished in the top 10% for Basic Training and Officer Cadet School (Service Term)
-
